

# How It Works: Tutor.com Classroom

## Connecting with expert tutors for on-demand, 1:1 help

The expert tutors at Tutor.com can help you work through a tough homework problem, improve your writing skills, study for a test, review a difficult concept, and so much more!

### Step 1: Get started

1. Go to:
2. Click on **Tutor.com**.
3. Create or sign in to your free Tutor.com account.
4. Click on **Connect with a Tutor**.

### Step 2: Get the right tutor

Fill in the quick pre-session questionnaire. Using this information, we will match you with the first available tutor best qualified to assist you.

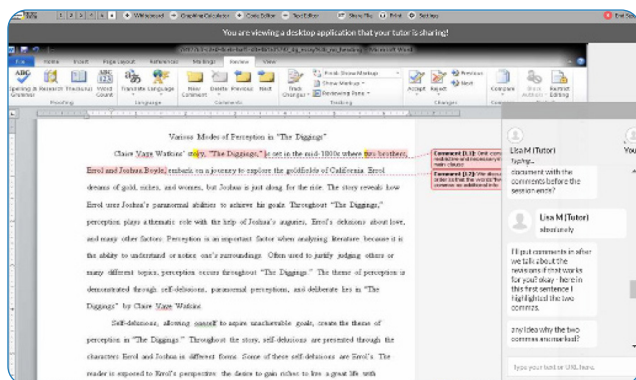

A screenshot of the Tutor.com pre-session questionnaire. The title is "What do you need help with today?" with a language dropdown set to "English". Below the title is a note: "Please take a moment to review our honor code." There are two dropdown menus: "Topic" set to "Math" and "Subject" set to "Calculus". Below these is a text input field labeled "Enter your question" with the placeholder text "Type your question here." At the bottom left is a link "Attach a File" and at the bottom right is a green button labeled "CONNECT NOW".

### Step 3: Communicate

Use your chat box or an audio connection to instant message or speak with your tutor in the online classroom. You and the tutor may also use the interactive whiteboard to share work and ideas. *All activity in the classroom is recorded for review and quality control.*

### Step 4: Share a file

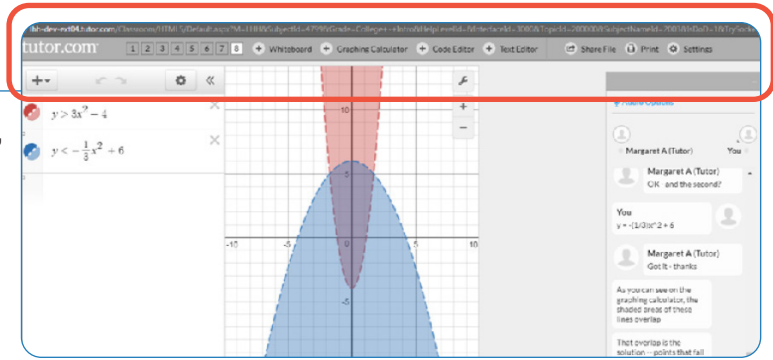

You can share many types of files with your tutor in the classroom. Upload an essay, your lab report, a PowerPoint presentation, and more. You and your tutor will be able to view the file together in the classroom.

## Step 5: Use special tools

The classroom includes a graphing calculator, text editor, and code editor that you can use when working on subject material that may require these special tools. Open them by using the buttons above the whiteboard.

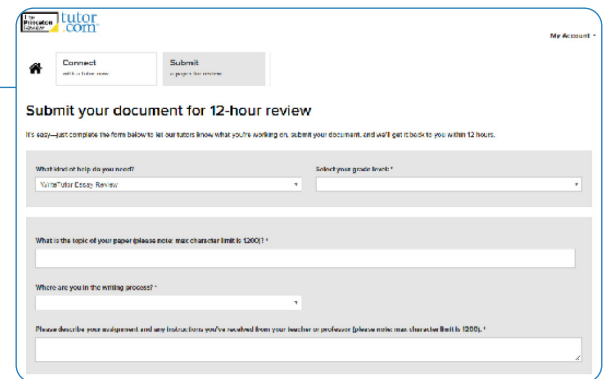

## Step 6: Rate and review your session

After each session, be sure to let us know how we did! Complete the survey and share your comments. Then you'll have the option to play a video of your session and email or print the chat log and whiteboards.

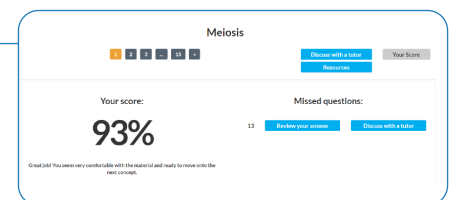

## Step 7: Submit your paper

Our **Drop-Off Review** service allows you to get expert help from a tutor without having to connect for a real-time session. Upload your writing assignment and get detailed feedback and explanations within 12 hours. Retrieve your tutor's completed review under **My Sessions**.

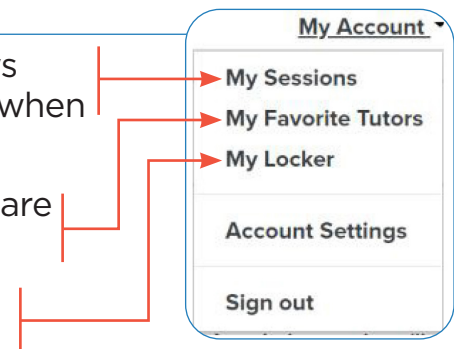

## Step 8: Practice for a test

Use our practice quizzes to assess your level of knowledge and practice for upcoming tests or quizzes in math, science, and English. Take a quiz, review your results, and connect with a tutor to discuss any missed questions.

## Step 9: Use My Account

- Review previous sessions and retrieve drop-off reviews from **My Sessions**. Be sure to tag your favorite tutors when reviewing your sessions.
- Reconnect with your favorite tutors or see when they are next scheduled from the **My Favorite Tutors** section.
- Access files you have saved or those you have shared in session with your tutors from **My Locker**.
